W.B. Reduso CORSETS

The Perfect Corset for Large Women

It places over-developed women on the same basis as their
slender sisters. It tapers off the bust, flattens the abdomen, and abso-
lutely reduces the hips from 1 to 5 inches. Not a harness—not a
cumbersome affair, no torturing straps, but the most scientific example
of corsetry, boned in such a manner as to give the wearer absolute
freedom of movement.

New W. B. Reduso No. 770 for large tall women. Made of white
cotton. Hose supporters front and sides, also made in tan. Sizes 20 to 30.
Price \$3.00.
New W. B. Reduso No. 772 for large short women, is the same as No.
770, except that the bust is somewhat lower all around. Made of white cotton.
Hose supporters front and sides. Also made in tan. Sizes 20 to 30.
Price \$3.00.

Ask any dealer anywhere to show you the New W. B. "Hip-sundering"
models from \$1.00 to \$3.00 per pair.

Where Women Excel.
A writer in a London paper says
that a woman who is a good house-
keeper would, if she were a man, be a
Kitchener or a Carnegie, so difficult
are the requirements of the profes-
sion, with its endless string of meals.
The writer hints that we are hearing
less about pure food, and that there is
a greater tendency to good, solid, sub-
stantial food, with more thought of
good things to eat than of the all-
mentary principles.
